

## About us

We provide a positive environment for motivated job seekers to meet and connect virtually as well as share and learn from one another to eventually gain employment.

## How it works

Job seekers team up to help each other obtain employment with the assistance of a meeting facilitator. Members “graduate” when they have completed the hiring process and are encouraged to share their successes with the group.

## Join us today!

Petersburg Department of Social Services

“Building better opportunities for everyone”

## What we do

The purpose of a **Job Hunt Club** also known as a **Job Search Group** or a **Networking Club** is a formal or informal group of job seekers. Members might share resumes and cover letters, conduct mock interviews, recommend job leads, and offer general encouragement and advice about the job search process.

With the assistance of the Petersburg Department of Social Services VIEW Program to help set weekly deadlines for clients to complete elements of the job search. This approach will hold job seekers accountable for their own success. In addition, Petersburg Department of Social Services can assist clients with using the latest technologies and best practices in an ever-changing job market.
